PingPlotter and Log4j

Saved From: https://www.pingman.com/kb/article/pingplotter-and-log4j-161.html

Question

Are Pingman Tools products affected by Log4j vulnerabilities?

Solution

PingPlotter Cloud, PingPlotter, and MultiPing

All of our products (PingPlotter Cloud, PingPlotter Pro/Standard/Free, and MultiPing) do not utilize Log4j and are not affected by the recently discovered vulnerabilities associated with Log4j.
