Question

My company policy does not allow me to purchase online. Do you accept telephone orders?

Solution

Absolutely! You're not alone on the "no credit cards online" policy.

To order via telephone, via our payment processor, BlueSnap, follow these steps:

- Go to our order page and select the product you're ordering:

- Confirm the quantity you're ordering, and enter your name, company, address and email address.
- Select "Phone" for the method of payment, hit "Next".
- Follow the instructions there (use the toll-free "866" number if you're in the USA. If you're outside the USA, call the 858 number).
- Have your order number and credit card ready.

After the order is complete, you should get an order confirmation immediately.
